

Nyima Choephell

Full-Stack Software Engineer

San Francisco. Clayton St • (917) 5519-5079 • nyima6999@gmail.com • www.linkedin.com/in/nyimac • github.com/nyima6999 •

SKILLS

Languages | JavaScript, HTML, CSS, Python

Libraries and Frameworks | React, Node.js, Express.js, Django

Database | MongoDB, Mongoose, Postgres, SQL

Other | RESTful API, JSON, Git, GitHub, EJS, AJAX

PROJECTS

Portfolio (www.nyimasite.com) | (Responsive Web Design)

Html5 | CSS | Javascript

2022-Present

- Built responsive portfolio with a mobile-first approach to web design with HTML, CSS, and Vanilla Javascript
- Styled it with flexbox and grid properties and keyframe animations to create an accessible user experience
- Utilized vanilla Javascript to develop event listeners and DOM manipulation for user-interactive application

Human Resource App (https://whispering-fjord-81362.herokuapp.com/) | (RESTful Routes, CRUD Operation)

MongoDB | Express | Node.js | EJS | Html | CSS

2022-Present

- Developed a full-stack CRUD app with RESTful routes that allow Human Resource Management to create, edit and delete employees' data with user login and register features with ease
- Created with the use of Express.js/Node.js in the backend and the EJS and partials to render all pages in the frontend

Family Tree (https://family-treeeee.herokuapp.com/) | (RESTful APIs Practice, CRUD operation)

MongoDB | Express | React | Css | Html

2022-Present

- Built API in the backend with help of MongoDB, mongoose, and Node.js and tested code through dev tools
 - Made RESTful API calls with React on the Client side and utilized CRUD operation to create, edit and delete data back and forth.
-

PROFESSIONAL EXPERIENCE

Ecommerce | Self-owned | San Francisco

Shopify | Amazon | Etsy | Marketing

February 2019-Present

- Created Shopify websites and integrated third-party apps for my Shopify store
- Increased sales by 40% with help of marketing and requesting customer reviews (600 plus reviews now)
- Sold thousands of products on online market platforms such as Amazon.com and Etsy.com
- Well versed in digital marking and Google analytics

Process Engineer | www.minconsult.com | Kaula Lumpur | Malaysia

04/2013-04/2015

- Drafted technical proposal for the process design of industrial wastewater treatment plant
 - Presented technical proposal to the Department of Environment, Government of Malaysia for bidding on the project with a large number of companies.
 - Participated in corporate meetings and departmental meetings
-
